2016 PETITE SIRAH

Proprietors: Betsy and David Lawer
Winemaker: Cary Gott, Kelly DeIanni

Tasting Notes: The wine has a deep purple color. Aromas of crushed red berry fruit, plum jam and the spicy notes typical of this varietal hint at the palate. The rich berry flavors and firm tannin structure combines structure with polish, offering notes of ripe blackberry, dark chocolate, grilled herb and toasty spice that linger toward refined tannin leading to a richly layered and concentrated palate. The wine is full bodied, but plush and soothing in texture. *CG & KD*
